Objective

Dedicated second-year Computer Science student with an Understanding of web development and Frontend seeking an opportunity to professionally apply classroom knowledge and project experience. Eager to contribute to real-world projects while gaining hands-on experience in full-stack development and data-driven solutions.

Education

Bachelor of Computer Applications, MIMT College Expected 2027

CGPA: 7.1 (Current)

Intermediate, DAV Post Graduate College, Siwan

Percentage: 63.8% 2021 – 2023

Matriculation, Shining star Public School,Siwan

Percentage: 75.6% 2020 – 2021

Projects

Food Express App | *React.js,Frontend*

- Designed and developed a Food delivery website from scratch using React j,s.
- Created dynamic content loading functionality using JavaScript to enhance user experience.
- Built a custom comment system and contact form to enable user interaction.

CRUD Application | *Mern-Stack*

- Built a basic CRUD application with MongoDB, Express.js, React, and Node.js to strengthen understanding of full-stack development workflows.
- Focused on backend–frontend integration by implementing RESTful APIs and connecting them with a minimal React interface for clarity and simplicity.
- Emphasized learning core concepts such as routing, controllers, and database operations rather than complex UI, ensuring a strong grasp of MERN stack fundamentals.

BookStore web app | *Mern-Stack Application*

- Developed a bookstore management application using MongoDB, Express.js, React, and Node.js to practice full-stack CRUD operations.
- Implemented basic user authentication with JSON Web Tokens (JWT) to understand secure login and authorization workflows.
- Focused on backend–frontend integration and database connectivity, prioritizing conceptual clarity over complex UI design.

Skills

Technical Skills

- **Programming Languages**: C, C++ basics,Java.
- **Web Development**: HTML, CSS ,Javascript, R e a c t . j s , Node.js.
- **Database Management**: MongoDB.
- **Framework:** Bootstrap, Telwind CSS ,Express.js.

Soft Skills

- Problem-solving and quick learning.
- Effective communication and Time management.
- Team collaboration and leadership

Certifications

- C-programming by Infosis Springboot
- Advanced Excel by- IIT Kanpur
- GFG DSA sheet completion certificate for 160 days
